

University of Tsukuba Press

—Disseminating knowledge from the
University of Tsukuba—

University of Tsukuba Press Policy

- ① **Disseminate research findings from studies in a diverse array of academic disciplines and interdisciplinary fields**
- ② **Communicate the findings of research and education to society clearly and comprehensibly**
- ③ **Promote the publication of outstanding manuscripts**
- ④ **Facilitate international recognition of our research and education findings by publishing books written in both English and Japanese.**
